### Commission on Sustainable Development acting as the preparatory committee for the World Summit on Sustainable Development

Fourth session

Bali, Indonesia, 27 May-7 June 2002

#### Information for participants

##### Site and date of the session

1. The fourth session of the Commission on Sustainable Development acting as the preparatory committee for the World Summit on Sustainable Development will be held at the ministerial level from 27 May to 7 June 2002. Meetings will be held at the Bali International Convention Centre. The address is as follows:

P.O. Box 36, Nusa Dua 80363, Bali, Indonesia

Telephone: (62-361) 771 906

Fax: (62-361) 772 047

E-mail: [info@baliconvention.com](mailto:info@baliconvention.com)

2. The Convention Centre is in the heart of Bali's Nusa Dua resort area and is surrounded by international hotels and resorts.

##### Opening meeting

3. The opening meeting will be held at 10 a.m. on Monday, 27 May, in the Plenary Hall on the first floor of the Convention Centre.

##### Accreditation of participants

4. Delegations to the session are advised that every member of government or observer delegations, members of the parties of Heads of State and Government, or technical support staff who will need access to the conference site in Bali will be admitted only upon presentation of a United Nations conference pass with a photograph. The United Nations Protocol Accreditation Unit in Bali will register and issue passes to all the above categories of participants on the basis of a comprehensive list of delegates and the individual accreditation form (see annex II). Accreditation forms in English, French and Spanish are also available at the United Nations Protocol and Liaison Service. It is suggested that the accreditation forms be forwarded by the Permanent and Observer Missions and Offices to their respective capitals, headquarters and/or embassies in Bali.

5. As a special courtesy, it will be possible for those members of Permanent and Observer Missions in New York who will participate in the session to complete the accreditation forms, have them authorized by the Protocol and Liaison Service (Attention: Mrs. M. Curran) and be issued conference passes for Bali before their departure for Indonesia. Pre-accreditation of participants based in New York will be in effect until 14 May 2002.

6. The on-site accreditation of delegates to the session is scheduled to begin in Bali on 23 May 2002, and will be carried out by the United Nations Protocol Accreditation Unit. The Unit will be located at the Keraton Ballroom, Nusa Dua Beach Hotel, Bali. In order to be accredited, each delegation is expected to present to the Protocol Accreditation Unit a comprehensive list of participants (signed and stamped with the official seal of the Government) together with duly completed individual accreditation forms. Upon authorization, the delegates will be photographed and issued conference passes. It should be noted that it will be possible for authorized representatives of delegations to submit in advance to the Protocol Accreditation Unit in Bali complete packages of duly completed accreditation forms together with the list of delegates and passport-size photographs of the participants on diskettes in JPEG format. The packages will be processed by the Protocol Accreditation Unit within 24 to 48 hours and can then be collected by the representatives of delegations for subsequent distribution; it will be necessary to present a photo identification (national passport or driver's licence) at that time.

7. Following past practice, Heads of State and Government, Vice-Presidents and members of royal families will be issued VIP passes without photographs. Participants at the level of Deputy Prime Minister and Cabinet Minister will be issued VIP passes with photographs. Where required, two passport-sized photographs are necessary. Spouses of delegates, regardless of rank, will be entitled to the same type of passes as principals. Loss of a conference pass must be reported immediately to United Nations Security personnel and the Protocol Accreditation Unit in Bali.

8. Office hours for the Accreditation Unit will be as follows:

9. Members of security details and personal bodyguards of high-ranking officials participating at the session will be issued special passes by the United Nations Security and Safety Service.

#### **Programme of meetings**

10. The provisional agenda and the proposed organization of work have been issued as documents A/CONF.199/PC/15 and A/CONF.199/PC/15/Add.1/Rev.1.

11. The programme of meetings will be printed in the *Journal*, which will be issued on a daily basis and will specify the conference rooms and times of meetings.

12. Morning meetings are scheduled to take place from 10 a.m. to 1 p.m. and afternoon meetings from 3 p.m. to 6 p.m. If any evening sessions are required, they will generally begin at 6 p.m.

#### **Seating arrangements**

13. At the opening of the session and at subsequent plenary meetings, located in the Nusa Indah Hall (Conference Room 1), on the ground floor, each government delegation will be assigned four seats: two at table and two behind.

14. In the Nusantara Room (Conference Room 2), located on the first floor of the Convention Centre, where other meetings will be held, each government delegation will have two seats, one at table and one behind.

15. Specifically identified seating will be available for other participants at the session.

#### **Languages of the PrepCom**

16. Arabic, Chinese, English, French, Russian and Spanish are the official languages of the PrepCom.

17. Official documents of the session will be made available in the languages of the PrepCom.

#### **Interpretation services**

18. Statements made in any of the six official languages will be interpreted into the other official languages. Any representative may make a statement in a language other than the official languages. In such cases, the delegation should provide either an interpretation or a written text of the statement in one of the official languages. The interpretation or written text will be considered by the Secretariat to represent the official text of the statement and will be used by United Nations interpreters as the basis for interpretation into the other official languages.

19. There will be interpretation services for a total of two simultaneous meetings in both the morning and afternoon. The servicing of all official meetings, extensions of official meetings beyond their normal duration, or the provision of interpretation services to regional or other major groupings of Member States should therefore be arranged within that framework.

20. Meetings other than those of United Nations bodies, such as meetings of regional or interest groups, will be accommodated according to the availability of meeting rooms and services. Requests for meetings services should be directed to Ms. Jane Pittson, Chief of Meetings Services.

#### **Circulation of written statements**

21. Though there is no general debate during the ministerial segment, if delegations wish to have written statements distributed to all delegations, observers, specialized agencies and press officers, 350 copies are required. Participants in the session are reminded that the Secretariat will not be in a position to offer reproduction services for such texts.

22. Delegations who wish to have their statements posted on the Internet are requested to send an advance electronic copy of their statements to the following e-mail address: [webcast@un.org](mailto:webcast@un.org).

#### **Distribution of official documents**

23. The main documents distribution desk for delegations will be located outside the Nusa Indah Hall (Conference Room 1).

24. Each delegation will be assigned an individual box at the documents distribution desk in which copies of all official documents issued during the session will be placed. Delegations are reminded that those document boxes are exclusively for the distribution of official documents of the session and may not be used for the circulation of any other papers or documents.

25. To determine exact requirements, each delegation is requested to advise the documents distribution desk of its daily requirements regarding the number of copies of each document it wishes to receive during the session and the language desired. The quantity requested should be sufficient to cover all requirements since it will not be possible to provide complete sets of documents after the session.

26. Accredited non-governmental organizations (NGOs) and representatives of the press/media will be able to obtain official session documents at designated documents distribution desks, which will be located in the NGO and Press Lounges on the first floor.

#### **Receipt and circulation of other documents**

27. Other documents that Governments and accredited organizations may wish to make available to participants in the session are to be provided by those Governments and accredited organizations in appropriate languages and quantities. The Secretariat will undertake neither reproduction nor translation of such documents. It is suggested that Governments and accredited organizations make approximately 500 copies available in English, with fewer copies in the other official languages if those will be provided.

28. Two copies of each such document should be forwarded to Mr. Lixian Xiong, Documents Submission Officer, for screening.

29. The Secretariat cannot undertake translation, reproduction or distribution of such documents. Delegations will be able to obtain these documents, however, in the areas outside the Plenary Hall and main committee rooms.

#### **Media accreditation and facilities**

30. Members of the media who wish to be accredited to cover the session should send an application form (see annex I), together with a letter of assignment on official

letterhead from the Editor or Bureau Chief, before 15 May 2002 to: United Nations, Media Accreditation and Liaison Unit, Department of Public Information, room S-250, New York, NY 10017, USA, fax number (1-212) 963-4642, telephone: (1-212) 963-7164 or 5934, and at the PrepCom Accreditation Centre from 23 May 2002 at fax number: 62 361 770 503. (Information can also be accessed on the Internet: [www.johannesburgsummit.org/html/media\\_info/bali\\_logistical\\_matters.html](http://www.johannesburgsummit.org/html/media_info/bali_logistical_matters.html).)

31. Passes will be issued starting on 23 May 2002 at the PrepCom Accreditation Centre at the Keraton Ballroom, Nusa Dua Beach Hotel, Bali, upon presentation of two forms of photo identification (passport, official national press pass, driver's licence, employee identification, etc.).
32. Media representatives applying at the PrepCom site for the first time should complete an application form and submit a letter of assignment and two forms of photo identification.
33. All members of the press corps accompanying Ministers or heads of delegation must complete an application form for accreditation, attached to an official letter from the permanent mission concerned, listing the names of the media representatives with their functional titles and affiliation, addressed to the Chief, Media Accreditation and Liaison Unit.
34. Members of the media accompanying the Ministers or heads of delegation must present themselves to the Accreditation Centre, where they will have their photographs taken and be issued a pass upon presentation of national passports and another valid photo identification.
35. A Media Centre for the use of all journalists accredited to cover the session will be available on the upper floor of the Bali International Convention Centre, in the Jakarta Room and Jakarta Foyer. Facilities will include a limited number of computer workstations with Internet access available on a first-come, first-served basis, and broadcast facilities for radio and television journalists.
36. The plenary meetings and other activities will be broadcast live into the Media Centre and by closed-circuit television monitors located throughout the site. Audio-visual and sound feeds of the plenary meetings, press conferences and other events will be provided to broadcasters live, upon request, free of charge. Plug-in recording facilities will be available.
37. A documents distribution desk will provide journalists with all session documents as well as copies of daily press releases in English and French covering the main activities of the session. They will also be made available electronically on the conference web site: <http://www.johannesburgsummit.org>.
38. Details concerning press facilities and media accreditation are contained in a separate information note issued by the Department of Public Information of the United Nations Secretariat, which is also available on the web site.

#### **Press conferences and media interviews**

39. Daily press briefings by the Spokeswoman for the PrepCom will be held at noon in the press briefing room located at the Media Centre. The room will also be available for press conferences by delegations and United Nations organizations. Requests for press conferences should be directed to the Office of the Spokeswoman

for the PrepCom in New York at telephone: (212) 963-6870, until 17 May 2002, telephone number in Bali: 62 361 770 500, fax number: 62 361 770 503.

40. To facilitate media contacts, delegations are invited to provide the Office of the Spokeswoman with the name and telephone number in Bali of the person in the delegation who journalists may contact to request interviews or other information.

**Information for non-governmental organizations and other major groups**

41. Accredited NGOs and other major groups can pre-register for the fourth session of the Commission on Sustainable Development acting as the preparatory committee for the World Summit on Sustainable Development through the web site: <http://www.johannesburgsummit.org/html/documents/prepcom4.html>.

42. There are three criteria for invitation to NGO participants:

- Accredited in accordance with Economic and Social Council resolution 1996/31;
- In consultative status with the Commission on Sustainable Development;
- Accredited to the Johannesburg Summit 2002 process.

43. There is no limit to the number of representatives of participating NGOs and other major groups.

44. When the pre-registration forms are received, each nominated representative will receive a confirmation letter by fax. This letter serves as the official invitation to the session and can be used to apply for a visa to Indonesia.

45. The Indonesian Government has set up a dedicated web site for the logistical arrangements and preparations for the session: [www.pc-wssd.com](http://www.pc-wssd.com).

46. Representatives are responsible for their own reservations and travel arrangements to and from the airport as well as in the metropolitan area. Representatives should reserve accommodations early because of the large number of participants expected at the session. All representatives interested in attending should ensure that they have adequate medical insurance prior to arrival.

47. As of 23 May 2002, registration for the session will take place in the ballroom at Nusa Dua Beach Hotel. Please note that it will be necessary to have the confirmation letter and valid photo identification (passport, driver's licence) ready at the registration desk, for identification purposes.

#### **Other useful information for participants**

##### **Visas**

54. To gain entry into Indonesia, foreign nationals need to have in their possession passports with at least six months of validity and appropriate visas. Visa applications are processed at the Indonesian embassies or consulates overseas. In some countries where an Indonesian diplomatic or consular representation is not located, a visa will be issued upon arrival. Non-visa short-term visits are valid for citizens from 48 countries for the purposes of holiday and tourism, provided that their passports are valid for at least six months at the date of entry, they have valid return tickets or tickets for journey to the next port of destination, and enter and exit through the designated ports of entry.

##### **Health precautions/medical arrangements**

55. No vaccination certificates are required for admission to Bali, with the exception of yellow fever, for which a vaccination certificate is required for

travellers entering Indonesia within six days of leaving an infected country. Visitors who travel through or disembark in those countries are advised to receive inoculations against this disease before entering Indonesia. For further information, consult the United Nations Medical Service.

Although Indonesian banks and exchange offices facilitate almost all foreign currencies, it is advisable to carry money or traveller's cheques in prevalent currencies. The currency in Indonesia is the rupiah, which consists of legal note denominations of 100, 500, 1,000, 5,000, 10,000, 20,000, 50,000 and 100,000 rupiahs, and coins in values of 50, 100, 500 and 1,000 rupiahs. Automated teller machines are located in the airport and in the shopping areas.

58. Many credit cards, such as Visa, MasterCard, American Express, and Diners, are widely accepted.

#### **Electricity**
